**OLD BUSINESS**

**1. Issuing notice of intent to terminate agreement with Portnoff Law Associates.**

**Moved:** Ms. McCarthy-Johnson

**Second:** Ms. Trice

President McCarthy-Johnson commented on the Borough's desire to align delinquent tax collection efforts with the school district and to address other concerns, relative to the agreement with Portnoff Law Associates.

Ms. Marcinko stated that the action is to notify Portnoff of the Borough's intention to terminate its agreement and that no further action is proposed at this time. Ms. Macklin questioned whether the plan is to issue a RFP, to which PLA could submit a proposal.

Ms. Grannemann requested an update on the Wilkesburg School District's progress with their RFP issuance. Ms. Marcinko stated that the communication between the Borough and School District, on this subject, has not been good. Ms. Marcinko believes the taxpayers would be better served by having one collector for delinquent tax collection and that the issuance of a joint RFP would have made good sense. At this time, with the District's plan to issue the RFP at the end of the month, the Borough is left to issue its own RFP. Ms. Marcinko commented on the terms of the agreement and the differences between the terms of the Borough's and District's agreements. Mr. Shattuck commented on the forty-five day notice for termination and, if the Borough fails to act on that option, the current contract terms and conditions remain in effect.

**All voted in favor of the motion. Motion carried.**

**NEW BUSINESS**

**1. Discussion – Authorizing the advertisement of Ordinance No. 2925 – Establishing Residential Parking Restrictions.**

Ms. Marcinko stated that the Borough Engineer recently conducted a review of those streets wherein the residential parking restriction has been requested. A number of residential parking restrictions were eliminated in June, 2013. This was done following a review of the residential parking permits issued in 2012 and was precipitated by a request from Hosanna House for a review of residential parking in the 800 block of North Ave. Ms. Grannemann suggested establishing a residential parking restriction for the 1100 block of Pitt St, given the information provided by the Borough Engineer. Council agreed to obtain more information prior to making a decision. Mayor Thompson stated that residents in the vicinity of the busway experience the most problems with having available parking. There appeared to be no issues in the 500 and 600 Block of North Avenue, 500 and 600 Block of Hill Avenue, 500 Block of Holmes St. and 1200 and 1300 Blocks of Pitt Street. Another review of residential parking permits issued will be conducted.

Mayor Thompson reported that the two new Police Officers, Officers Minton and Martinelli, started work on Monday.

Mr. Shattuck attended the Southwestern Pennsylvania Commission's transportation kick-off meeting to discuss minimizing voids in public transportation for most vulnerable populations.

Mr. Shattuck announced that his son, who is a veteran, has been accepted into the Warrior Hike, a non-profit organization for veterans hiking the Appalachian Trail.

Ms. Trice requested a brief executive session to discuss a personnel matter related to a claim received from a former employee for compensation.

### **ADJOURNMENT**

Being no further business, on motion by Ms. Grannemann, second by Mr. Lefebvre, the meeting was adjourned at approximately 7:47 P.M.
